Dear Silver Haired Legislature Delegates,

Missouri led the nation when it became the first state to found a Silver Haired Legislature (SHL) in 1973. Our leaders realized the importance of involving older adults in the legislative process, of hearing their voices on issues that directly affect them. Since then, more than 30 states have followed suit and adopted our state's innovative model. Advocacy and leadership on senior issues now occurs at the local, state, and national level and has a profound impact on the day-to-day lives of Missourians and our fellow Americans.

As the official senior advocate for Missouri, I applaud the SHL on its many accomplishments and its 37th anniversary this year. It has been the driving force, through conviction, in passing more than 60 bills that have helped to protect seniors and address their economic and health concerns, including the Nursing Home Reform Law, the Missouri Senior Rx Program, and laws that ensure that Missouri seniors are exempt from taxes on Social Security and pension benefits.

As Missouri's senior population continues to grow, the leadership and advocacy role of the SHL will become even more crucial. I extend my deepest gratitude to the delegates for their unwavering commitment and answering the call to serve seniors in Missouri.

I look forward to our ongoing partnership, and through working together, I believe we will achieve positive results for our senior population.

Sincerely,

A handwritten signature in black ink that reads "Peter Kinder".

PETER D. KINDER
Lieutenant Governor

Dear Silver Haired Legislature,

It is an honor to address you once again about the accomplishments of the Missouri Silver Haired Legislature. You are continuing a noble tradition of citizen involvement in state government. The priorities determined by you and your predecessors carry significant weight with the General Assembly. Many of Missouri's most important laws began with an idea that was first publicly proclaimed in the Silver Haired Legislature. You should be proud of the two bills you supported and helped pass during the last legislative session – the strengthening of pre-need funeral regulations and a boost in the personal needs allowance for Medicaid residents in long-term care facilities.

As our world becomes more complicated, it is essential for us to work together on a variety of important issues. We have common goals and I am eager to continue my work with you to provide protection to our seniors.

I trust that your work this year will continue your role as a strong voice for Missouri's seniors. By working together, we can help ensure that seniors are allowed to age with independence and dignity, and that communities promote an environment that encourages good health and a high quality of life. I commend each of you for your hard work.

I look forward to working with you throughout the year.

Sincerely,

A handwritten signature in cursive script that reads "Margaret T. Donnelly".

Margaret T. Donnelly

History of the Missouri Silver Haired Legislature

REGION 10: REGION X

Representatives

Missouri's Silver Haired Legislature (SHL) has the distinction of being the very first such organization in the United States. It was created in 1973 by a small group of senior citizens who met with the President Pro Tem of the Senate, William Cason, to discuss and form a group whose specific purpose was to advocate for senior issues. The first session consisted of 10 members who met as one cohesive body. The group was sponsored by the Jaycees, who continued to provide sponsorship until 1975 when the Missouri Office of Aging and the Area Agencies on Aging took over the responsibility.

In 1975, the SHL structure was changed to resemble the Missouri General Assembly. Each Area Agency on Aging elected 15 delegates, specifying 12 as representatives and three as senators. Each agency also elected three to six alternates who would serve in the absence of an elected delegate.

Since 1978, it has become customary to rank the truly agreed and finally passed bills in priority order. At the close of the fall session, delegates vote for the top five priorities. Those priorities are considered the most important issues for the year. Members come to Jefferson City during the General Assembly session to testify before various legislative committees concerning the chosen priorities and other issues of interest.

Bylaws were written and adopted by the membership in 1982. They laid the groundwork for incorporation in 1983 and the creation of a 17-member board of directors. The bylaws defined the overall purposes, which are to: (1) provide legislative and regulatory education; (2) promote legislative and community advocacy; (3) assess the legislative needs and priorities of older Missourians; and (4) provide a service that encourages and develops individual and group participation and leadership.

Those purposes form the basis for recognition of the SHL as a legitimate voice for older Missourians. State representatives and senators are seldom reluctant to sponsor SHL-backed legislation because the SHL's bills have repeatedly become laws.

Today, the SHL consists of 120 representatives, 30 senators and approximately 30 alternates. Delegates and alternates must be at least 60 years of age and reside within the planning and service area they represent. Delegates and alternates serve two-year terms. In May of each year, Area Agencies on Aging hold elections for approximately one-half of their Silver Haired delegation and the alternate positions. Holding elections for one-half of the delegates allows for a consistency within the membership and provides a means for education of the "new" members.

Bills Passed by the General Assembly and Signed by the Governor

- Appropriations for transportation (1973)
- Circuit breaker housing tax credit for seniors (1974)
- Appropriation for in-home services (1976)
- Revision of the nursing home law (1976)
- Revised probate code (1976)
- Deletion of sales tax on pharmaceuticals (1977)
- Revised guardianship code (1982)
- Durable power of attorney to make health care decisions (1982)
- Statutory recognition of Division of Aging and AAAs (1983)
- Improvement of statutory lien law (1987)
- Protection of volunteers from civil suits (1988)
- Elder abuse law (1988)
- Reduction of sales tax on groceries (1996)
- Enforcement of auto liability insurance (1997)
- Improved regulations for managed care and HMOs (1997)

- Private pensions taxed same as government pensions (1997)
- Appropriation of \$3.2 million for home-delivered meals (1997)
- Increased dependency deduction on Missouri income taxes (1998)
- Revised circuit breaker law (1998)
- Limited Department of Revenue to no more than 5 percent in administrative fees for home-delivered meals trust fund (1998)
- Pharmaceutical tax credits (1999)
- CLAIM funding becomes permanent part of Division of Aging's budget (1999)
- Financial exploitation of the elderly (2000)
- Creation of a Department of Health and Senior Services (2001)
- Creation of the Missouri Senior Rx Program (2002)
- Nursing Home Bill SB 556 (2003)
- Financial support for the Missouri Senior Rx Program (2003)
- SHL placed in the Division of Senior and Disability Services' budget (2004)
- Creation of Missouri Homestead Act (2004)
- Modified provision in various health care and social service programs (2005)
- Appropriation of \$1 million for home-delivered meals (2006)
- Strengthened pre-need funeral regulations (2009)
- Increased personal needs allowance for Medicaid residents in long-term care facilities (2009)
